# *Speaking:* Answer the questions

Did anything in  
the video  
surprise you?  
What was it?

Would you rather  
get small items  
every day or one  
big present on  
Christmas?

Do you think  
Christmas gifts  
should be useful or  
fun — what's more  
important for you?

If you received  
a gift you don't  
like — what  
would you do?

Do you prefer  
surprises or knowing  
exactly what gift  
you'll get? Why?

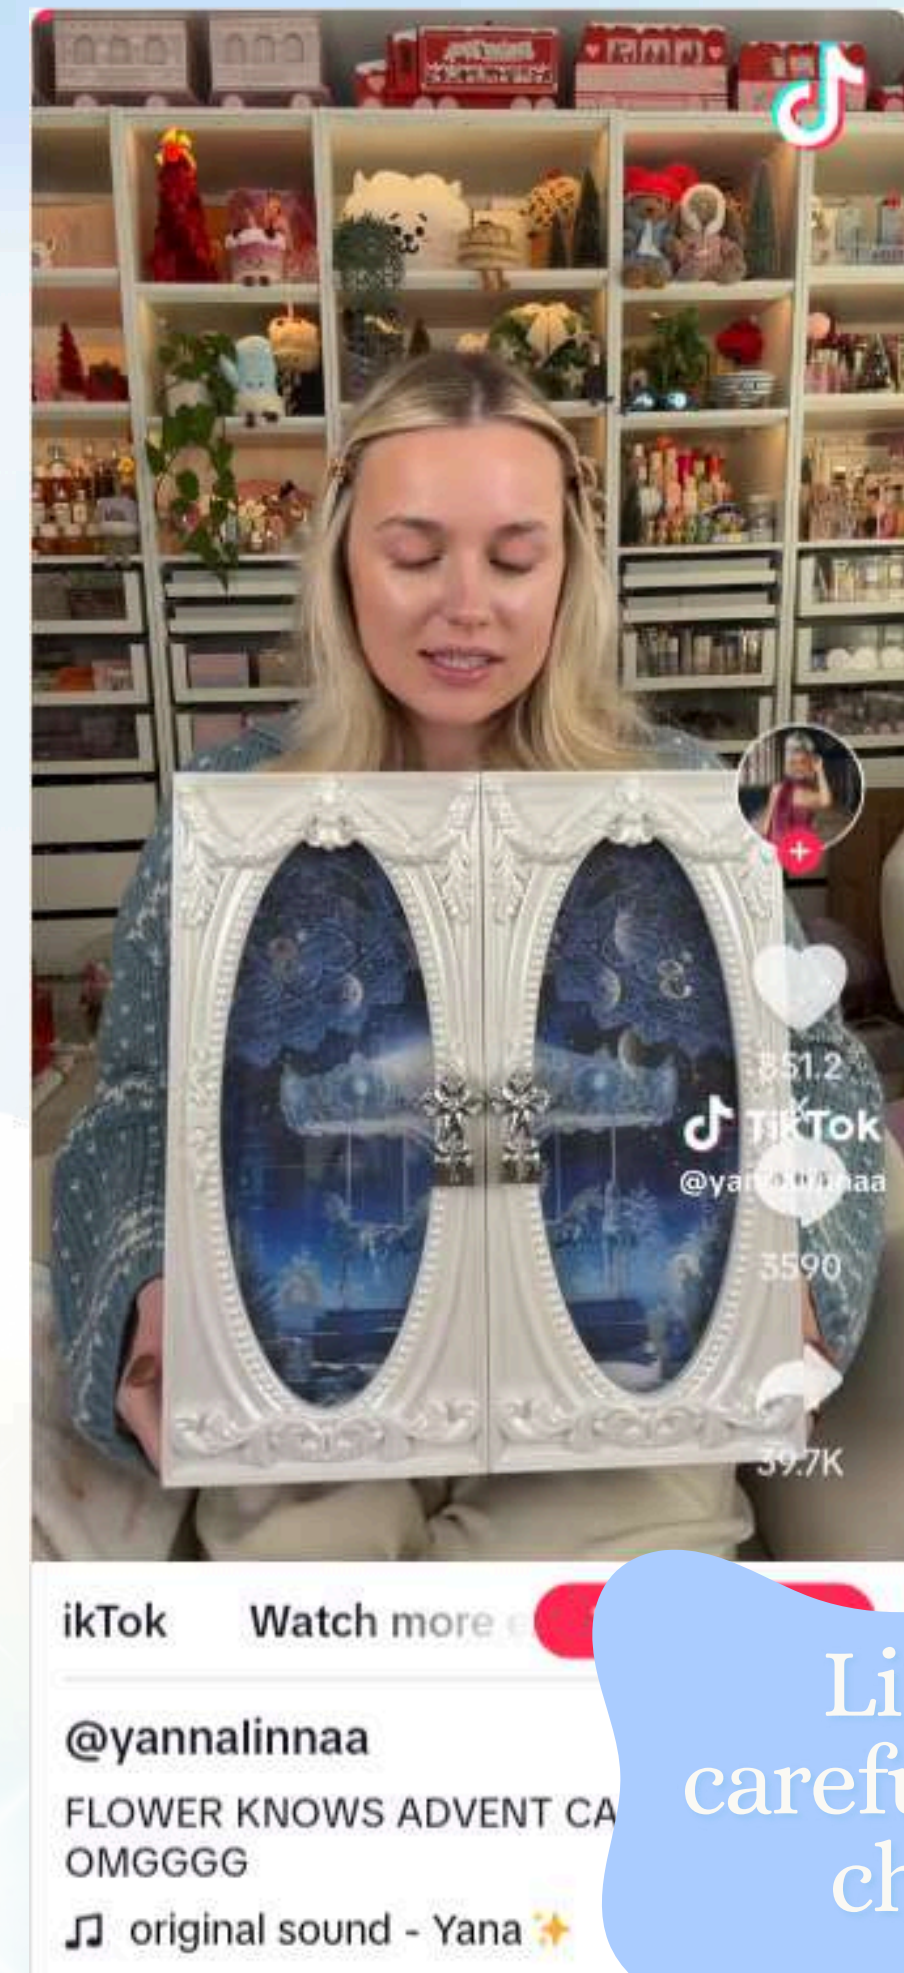

If you had that  
calendar — would  
you open one window  
a day or open them all  
at once?

Flower knows has an advent calendar. Are you (1) \_\_\_\_\_ kidding me? This is what dreams are made of. Literally comes in like a closet/makeup case that you could 100,000% keep and reuse. It sells for \$250 and has a value of 437. (2) \_\_\_\_\_ of eight days in here, which is not something I've seen from an advent calendar before. Maybe these are like eight super good days. I have zero idea what to (3) \_\_\_\_\_ here. So let's start with number one.

There's two things in here. First, we have shells and jewels collections. Baked powder. Look at how (4) \_\_\_\_\_ this is. And it's obviously full-size. Second thing is a four-color concealer palette from their bear collection. Oh my goodness. The bear on this palette. Insane. And here's what it looks like on the (5) \_\_\_\_\_. These are like the most perfect two first products to receive. This is the (6) \_\_\_\_\_ ever I've seen an advent calendar have a concealer palette in it.

I have never bought flower knows because I know how beautiful they are and I would just let it sit and be pretty and never use it so I didn't 'ruin' it 🥰 the packaging is just the most beautiful thing I've seen as far as makeup on literally EVERYTHING from them 🥰

Influencers make  
advent calendars look  
better than they truly  
are.

There should be only 12  
days, not 24 — it's too  
long.

★

Advent calendars are a  
waste of money.

★

People open all 24 days  
at once — and that  
ruins the fun.

★

Expensive  
calendars are  
never worth it.

Choose the statements you  
disagree with. Now, defend  
them!

*Great job!*

Are there any advent  
calendars you are dreaming  
of? Write about it!
