Emma and Leo had a sleepover in the creepy attic. There was an old WORD 1, a dusty mirror, and a toy named WORD 2. Just before midnight, the attic light flickered. Suddenly, WORD 3 floated into the air and started dancing. Then Emma's WORD 4 lifted itself off the floor and spun like a ghostly ballerina. A glowing mist appeared, and it shaped into WORD 5! Leo shouted WORD 6 and tried to hide under the WORD 1. In the morning, everything looked normal, except the toy WORD 2, which kept winking at them.
