A clumsy wizard was practicing magic in his tower. "I will make myself powerful!" he shouted proudly. But when he cast the spell, something went wrong.

Instead of becoming strong, he became extremely WORD 1, and every time he spoke, he made a WORD 2 sound. His wand turned into a giant WORD 3, and his hat turned into a tiny WORD 4 sitting on top of his WORD 5. He sneezed and shouted WORD 6, and suddenly, he turned normal again.

Well mostly. He still made WORD 2 noises when nervous.
