

You went hiking with your friends, but suddenly...

On each slide, you will see a new problem. You must make smart choices to stay safe and find your way back.

It's Getting Dark...

You walked too long. The
sun is going down. You
can't see the path.

We should...

We must...

We can...

find a safe place / use flashlight /
stay together

Phone Battery is Low

Your phone has 5%
battery left. There's no
power bank.

We shouldn't...
We must...
We can...

save battery / call someone /
play music or take photos

You Hear a Strange Noise

Something moves in the
bushes. You don't know
what it is.

We should...
We must not...
We can...

stay calm / run loudly /
make noise to scare animals

You Are Cold

Temperature drops. You
don't have warm
clothes.

We can...
We should...
We must...

move to stay warm / start a small fire
/ find shelter

You Find a Small Cabin

You see an old cabin in
the woods. Looks safe...

maybe.

We can...

We should...

We must not...

check carefully / knock / enter if it
looks dangerous

No Drinking Water

You finished your
water bottle. You are
thirsty.

We can...
We shouldn't...
We must...

find clean water / collect rainwater
/ drink from a dirty stream

Rain Starts

Heavy rain begins.
You don't have
umbrellas.

We can...
We shouldn't...
We should...

find a tree to stay dry / make a shelter
from branches / stay in open places

One Person Is Tired

Your friend is too
tired to walk
fast.

We can...
We should...
We must...

rest for 10 minutes / stay together /
drink water and relax

You Lost the Map

The map fell
somewhere. You don't
know the direction.

We should...
We can...
We must...

look for signs and places / stay
calm / climb a small hill to see better

You See a Wild Animal

You see a deer – or
maybe something
bigger!

We shouldn't...
We can...
We mustn't...

move slowly / go close / scream

You Lose Your Backpack

You stop to rest and
forget your backpack on
a rock. After 10 minutes,
it's gone.
