

Unpopular opinions on... *movies*

Black-and-white films are better than modern ones.

I never cry at sad movies. They feel fake.

I don't like going to the cinema—too loud, too crowded.

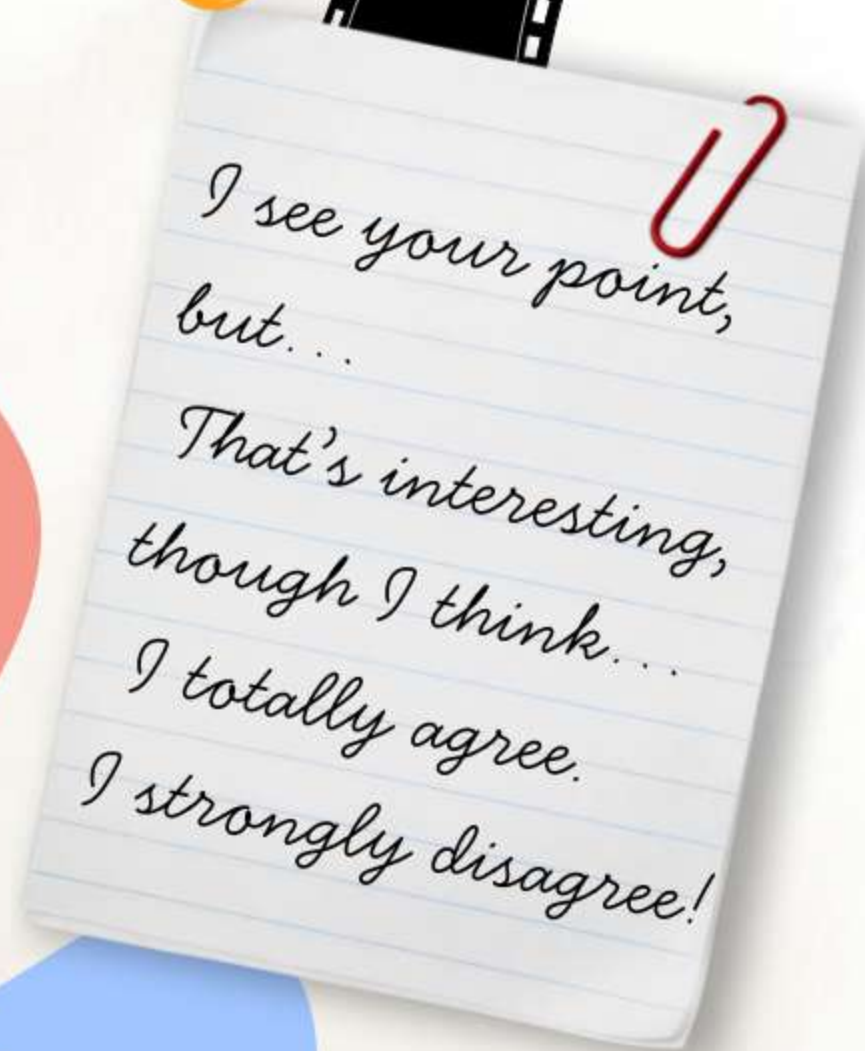

Superhero movies are overrated.

Romantic comedies are predictable and boring.

Movies based on books are usually better than the books.

I see your point, but...

That's interesting, though I think...

I totally agree.

I strongly disagree!
